LOGPAY supports local and charitable organizations with Christmas donations

Eschborn, 11/01/2024 - LOGPAY, a subsidiary of Volkswagen Financial Services AG, is sending a signal of solidarity through generous Christmas donations.

- LOGPAY donates €2,000 each to Kinderengel RheinMain e.V. and Hospizverein Lichtblick e.V.
- The selection of the institutions is based on regional ties
- The donations support families with children with life-limiting illnesses and commitment to hospice work

The LOGPAY Group, a wholly owned subsidiary of Volkswagen Financial Services AG, is once again setting an example of solidarity and charity at the end of 2023. On the occasion of the festive Christmas season, LOGPAY made generous donations of €2,000 each to two charitable organizations, KinderEngel RheinMain e. V. and Hospizverein Lichtblick e.V.

The donation to KinderEngel RheinMain e.V. will be used to support families with children and young people with serious or life-limiting illnesses. The aim is to help where other forms of assistance are no longer effective and to finance animal or music-based therapies that are only partially covered by health insurance or not covered at all.

The donation will strengthen the Lichtblick e.V. hospice association in its work with seriously ill people and their relatives. The association offers psychosocial support and loving care in difficult times, with the donation playing a key role in the continuation of these essential services.

Dr. Oliver Bernards, Managing Director of LOGPAY, emphasizes the company's responsibility towards society and is pleased to improve the lives of people who need support: "Especially during the Christmas season, we wanted to contribute to supporting those who need help the most. KinderEngel RheinMain e.V. and Hospizverein Lichtblick e.V. do outstanding work in our region, and we are proud to be able to support them in their commitment to the community."

LOGPAY is committed to social responsibility and promoting the common good. With these donations, the company underlines its commitment to bringing about positive change in society and supporting those who need it most.
